Dear Dr. Haines and Mr. Henry:

Congratulations! Your Three-Year Local District Technology Plan for 2010-2013 was approved by the County Technology Review Board on June 14, 2010. This plan is the guiding document for technology in your district. If modifications or revisions need to be made during the implementation of this plan, please submit a memo describing the modification and the reasons for the modification to [carla.spates@doe.state.nj.us](mailto:carla.spates@doe.state.nj.us).

Your district is responsible for electronically forwarding both the approved technology plan and the county approval letter to the State Department of Education by June 30, 2010. Directions for forwarding this information are on the state's web site, <http://www.nj.gov/education/techno/localtech>.

We encourage you to put your local technology plan on your district web site.

Sincerely,

*H. Mark Stanwood, Ed.D.*
